

30-DAY REELS CONTENT PLAN

Instagram + TikTok

Storytelling Scripts, Captions and Hashtags

Speakers

Faizan Ali - Digital Marketing

Mohib - Web Development

Recording Style

Chair-based expert talk + PC background + live screen demonstrations + clear subtitles

www.leapspro.online

HOW TO USE THIS 30-DAY PLAN

Use the same vertical video on Instagram Reels and TikTok.

VIDEO STRUCTURE

0-3 sec: strong hook | 4-20 sec: problem or story | 21-35 sec: solution or PC demo | 36-45 sec: CTA

CAMERA SETUP

Camera at eye level. Speaker seated comfortably. PC setup visible in the background. Keep the frame clean, use soft front lighting, and add subtle purple/orange ambient light.

SPEAKING STYLE

Do not read like a lecture. Speak naturally using phrases such as: "Simple example se samajhte hain", "Sochiye aap ek business owner hain", and "Main aapko screen par dikhata hoon".

EDITING PATTERN

Large hook text in the first two seconds. Add subtitles. Use a slight zoom or cut every 3-5 seconds. Show PC demos full-screen or picture-in-picture. Keep background music low.

STANDARD ENDING

Follow LEAPSPro for practical digital growth tips. Website: www.leapspro.online

Posting Tip: Use the prepared caption as the main caption. Keep the strongest sentence in the first line. Add all hashtags at the end.

DAY 01**Digital Marketing Kya Hai?****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Digital marketing sirf Facebook par post lagane ka naam nahi hai.

MAIN SCRIPT

Digital marketing ka matlab hai internet ke through apne business ko right audience ke samne present karna. Is mein social media, Google, websites, email marketing aur paid advertising sab include hote hain. Misal ke taur par, agar aap Lahore mein dental clinic run karte hain, to digital marketing ki help se aap apni services un logon ko dikha sakte hain jo Lahore mein dentist search kar rahe hain. Yani marketing random nahi, targeted hoti hai.

PC DEMO / VISUAL

Google search aur Facebook ad ka simple example dikhayein.

CTA

Apne business ko digitally grow karna hai to LEAPSPRO ko follow karein.

CAPTION

Digital marketing sirf posts aur likes ka naam nahi. Yeh right message ko right audience tak right platform par pohanchane ka complete system hai. Aapka business online visible hai ya sirf exist kar raha hai? Follow LEAPSPRO for practical digital growth tips.

HASHTAGS

DAY 02**Website Kya Hoti Hai?****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Website aapke business ki online shop ya office hoti hai.

MAIN SCRIPT

Sochiye ek customer raat ke 11 baje aapke business ke bare mein information lena chahta hai. Aapka office band hai, lekin website 24 ghante available hoti hai. Website customer ko aapki services, prices, portfolio aur contact information deti hai. Ek professional website aapke business ko trustworthy aur established show karti hai.

PC DEMO / VISUAL

LEAPSPRO website ka homepage open karein.

CTA

Aapke business ki website nahi hai? Comment mein "Website" likhein.

CAPTION

A professional website aapka 24/7 digital office hoti hai. Jab aap available na hon, tab bhi website customer ko information, proof aur contact option deti hai. Kya aapka business online professionally represent ho raha hai?

HASHTAGS

End screen: LEAPSPRO logo + www.leapspro.online

DAY 03**Digital Marketing Important Kyun Hai?****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Aapka customer online hai, lekin kya aapka business bhi online visible hai?

MAIN SCRIPT

Aaj customer restaurant visit karne, school select karne ya dentist book karne se pehle online search karta hai. Agar aapka business search results ya social media par visible nahi hai, to customer competitor ke paas chala jata hai. Digital marketing aapko customer ke decision lene se pehle uske samne le aati hai.

PC DEMO / VISUAL

Google par kisi local business category ko search karein.

CTA

Online visibility chahiye to apne business ka naam comment karein.

CAPTION

Customers decision lene se pehle search karte hain. Jo business us waqt visible hota hai, uske contact hone ke chances zyada hote hain. Digital marketing ka real purpose attention ko trust aur inquiries mein convert karna hai.

HASHTAGS

#DigitalMarketingTips #OnlineVisibility #LocalBusiness #BusinessGrowth #CustomerJourney #MarketingStrategy
#LEAPSPRO #GrowOnline

End screen: LEAPSPRO logo + www.leapspro.online

DAY 04**Sirf Social Media Page Kafi Nahi****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Instagram page hona achi baat hai, lekin business ke liye sirf Instagram kafi nahi.

MAIN SCRIPT

Social media account kabhi bhi restrict ya suspend ho sakta hai. Lekin website aapka apna digital asset hoti hai. Website par aap apna complete portfolio, services, contact form aur customer information control karte hain. Social media audience ko attract karta hai, aur website us audience ko customer mein convert karti hai.

PC DEMO / VISUAL

Instagram profile aur website ko side-by-side show karein.

CTA

Social media ke saath professional website zaroor build karein.

CAPTION

Social media attention build karta hai; website trust aur conversion build karti hai. Dono ka role different hai, aur strong business presence ke liye dono ko ek system ki tarah use karna chahiye.

HASHTAGS

#SocialMedia #BusinessWebsite #DigitalAssets #WebDevelopment #BrandTrust #OnlineBusiness #LEAPSPro
#ConversionTips

End screen: LEAPSPro logo + www.leapspro.online

DAY 05**Organic Marketing vs Paid Marketing****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Organic marketing free hoti hai, lekin kya paid marketing zyada effective hoti hai?

MAIN SCRIPT

Organic marketing mein posts, reels aur useful content ke through audience build ki jati hai. Paid marketing mein ads chala kar targeted audience tak jaldi pohancha jata hai. Organic marketing trust build karti hai, jabke paid marketing fast reach aur leads generate karti hai. Best results tab milte hain jab dono ko ek strategy ke under use kiya jaye.

PC DEMO / VISUAL

Organic post aur sponsored ad ka difference show karein.

CTA

Organic ya paid - apne business ke liye dono ko strategically use karein.

CAPTION

Organic content long-term trust banata hai. Paid campaigns speed, targeting aur reach provide karte hain. Best marketing strategy mein dono ek doosre ko support karte hain - compete nahi.

HASHTAGS

#OrganicMarketing #PaidMarketing #FacebookAds #ContentMarketing #LeadGeneration #MarketingStrategy #LEAPSPRO #BusinessTips

End screen: LEAPSPRO logo + www.leapspro.online

DAY 06**Websites Ki Different Types****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Har business ko same type ki website ki zaroorat nahi hoti.

MAIN SCRIPT

Ek clinic ko appointment website chahiye, restaurant ko menu aur booking website, school ko admissions website aur online store ko e-commerce website. Website business ke goal ke according design honi chahiye. Sirf beautiful design enough nahi - website ka purpose clear hona chahiye.

PC DEMO / VISUAL

Business, e-commerce aur school website ke examples show karein.

CTA

Aapke business ko kis type ki website chahiye? Comment karein.

CAPTION

Website ka design business goal se start hota hai. Clinic, school, restaurant aur online store - sab ki needs different hoti hain. Right website woh hai jo customer ko next step tak clearly guide kare.

HASHTAGS

#WebsiteTypes #WebDesign #EcommerceWebsite #SchoolWebsite #BusinessWebsite #UserExperience #LEAPSPRO
#WebDevelopment

End screen: LEAPSPRO logo + www.leapspro.online

DAY 07**Target Audience Kya Hoti Hai?****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Har insan aapka customer nahi hota.

MAIN SCRIPT

Agar aap women's salon run karte hain, to aapka ad har age aur har gender ke insan ko dikhana paisay waste kar sakta hai. Target audience ka matlab hai un logon ko identify karna jo aapki service mein genuinely interested ho sakte hain. Location, age, interests aur behaviour ke through right audience select ki jati hai.

PC DEMO / VISUAL

Meta Ads audience targeting screen show karein.

CTA

Right audience, better results aur kam wasted budget.

CAPTION

Marketing ka pehla sawal yeh nahi ke ad kahan chalana hai. Pehla sawal yeh hai: hum kis se baat kar rahe hain? Clear target audience budget bachati hai aur message ko relevant banati hai.

HASHTAGS

#TargetAudience #AudienceTargeting #MetaAds #DigitalMarketing #MarketingTips #CustomerResearch #LEAPSPRO
#LeadGeneration

End screen: LEAPSPRO logo + www.leapspro.online

DAY 08**Domain Aur Hosting Kya Hai?****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Website banane ke liye domain aur hosting dono chahiye, lekin difference kya hai?

MAIN SCRIPT

Domain website ka address hota hai, jaise leapspro.online. Hosting woh online space hai jahan website ki files save hoti hain. Isay simple example se samjhein: domain aapke ghar ka address hai aur hosting ghar ki building. Dono ke baghair website properly live nahi ho sakti.

PC DEMO / VISUAL

Browser mein domain aur hosting dashboard show karein.

CTA

Website terms ko simple language mein samajhne ke liye follow karein.

CAPTION

Domain aapki website ka address hai aur hosting uska online home. Dono alag services hain, lekin live website ke liye dono zaroori hain. Simple web concepts ke liye LEAPSPro ko follow karein.

HASHTAGS

#Domain #WebHosting #WebsiteBasics #WebDevelopment #TechExplained #BusinessWebsite #LEAPSPro #WebsiteTips

End screen: LEAPSPro logo + www.leapspro.online

DAY 09**Marketing Funnel Kya Hai?****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Har person jo aapki reel dekhta hai, foran customer nahi banta.

MAIN SCRIPT

Pehle customer aapke brand ko dekhta hai, phir interest leta hai, aapki profile check karta hai, website visit karta hai aur uske baad contact karta hai. Is journey ko marketing funnel kehte hain. Isi liye ek reel se direct sale expect karna sahi strategy nahi. Consistent content aur follow-up zaroori hai.

PC DEMO / VISUAL

Simple funnel graphic screen par show karein.

CTA

Views ko customers mein convert karna hai to complete funnel banayein.

CAPTION

A view sale nahi hota - lekin sale ki journey ka first step ho sakta hai. Awareness, interest, trust aur action ko connect karne wala system marketing funnel kehata hai.

HASHTAGS

#MarketingFunnel #CustomerJourney #ContentStrategy #LeadGeneration #SalesFunnel #DigitalMarketing #LEAPSPro #BusinessGrowth

End screen: LEAPSPro logo + www.leapspro.online

DAY 10**Responsive Website Kya Hai?****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Aapki website laptop par achi lagti hai, lekin mobile par?

MAIN SCRIPT

Zyada customers website mobile par open karte hain. Responsive website har screen size par automatically adjust hoti hai. Agar text chhota ho, buttons cut ho rahe hon ya page zoom karna pade, to customer website close kar deta hai. Mobile-friendly design ab optional nahi hai.

PC DEMO / VISUAL

Browser responsive mode mein mobile aur desktop view show karein.

CTA

Apni website mobile par check karein - experience smooth hai ya nahi?

CAPTION

Mobile-friendly website ab extra feature nahi - basic requirement hai. Customer ko zoom, broken buttons ya cut text mile to woh seconds mein website close kar sakta hai.

HASHTAGS

#ResponsiveDesign #MobileFriendly #WebDevelopment #UserExperience #WebsiteDesign #BusinessWebsite #LEAPSPro #WebTips

End screen: LEAPSPro logo + www.leapspro.online

DAY 11**Content Strategy Kya Hoti Hai?****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Roz random post upload karna content strategy nahi hai.

MAIN SCRIPT

Content strategy mein pehle goal decide hota hai. Kya aap awareness chahte hain, engagement ya leads? Phir content pillars select hote hain, jaise educational content, client results, services aur behind-the-scenes. Jab har post ka clear purpose ho, tab social media business growth mein help karta hai.

PC DEMO / VISUAL

Content calendar ya spreadsheet show karein.

CTA

Random posting band karein, strategic posting start karein.

CAPTION

Content tab effective hota hai jab har post ka clear purpose ho. Awareness, trust, engagement aur leads - in goals ke according content pillars aur calendar plan karein.

HASHTAGS

#ContentStrategy #ContentPlanning #SocialMediaManager #ContentCalendar #BrandGrowth #MarketingTips #LEAPSPro #ReelsStrategy

End screen: LEAPSPro logo + www.leapspro.online

DAY 12**Landing Page Kya Hoti Hai?****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Ads chala rahe hain lekin leads nahi aa rahi? Problem landing page ho sakti hai.

MAIN SCRIPT

Landing page ek focused web page hota hai jiska sirf ek goal hota hai - customer se form fill karwana, call karwana ya product buy karwana. Is mein unnecessary menu aur information kam hoti hai. Strong headline, benefits, proof aur clear CTA landing page ko effective banate hain.

PC DEMO / VISUAL

Simple landing page structure show karein.

CTA

Paid ads ke saath conversion-focused landing page zaroor use karein.

CAPTION

Ad customer ko click karwata hai; landing page us click ko inquiry ya sale mein convert karta hai. Clear headline, benefits, proof aur one strong CTA conversion improve karte hain.

HASHTAGS

#LandingPage #ConversionRate #LeadGeneration #WebDesign #DigitalMarketing #PaidAds #LEAPSPro #WebsiteTips

End screen: LEAPSPro logo + www.leapspro.online

DAY 13**Meta Ads Manager Kya Hai?****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Boost Post aur professional Facebook ad campaign mein farq hota hai.

MAIN SCRIPT

Boost Post easy option hai, lekin Meta Ads Manager zyada control provide karta hai. Is mein aap campaign goal, audience, placement, budget aur results detail mein manage kar sakte hain. Lead generation, website traffic aur retargeting jaise professional campaigns Ads Manager se run kiye jate hain.

PC DEMO / VISUAL

Meta Ads Manager dashboard show karein; sensitive information hide rakhein.

CTA

Business ads ko sirf boost button tak limited na rakhein.

CAPTION

Boost button simple hai, lekin professional campaigns ko objective, audience, placements, budget aur tracking par control chahiye. Isi liye Meta Ads Manager important hai.

HASHTAGS

#MetaAds #FacebookAds #InstagramAds #AdsManager #LeadGeneration #DigitalMarketingTips #LEAPSPro #PaidMarketing

End screen: LEAPSPro logo + www.leapspro.online

DAY 14**Website Speed Important Kyun Hai?****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Agar website open hone mein 5 seconds le, customer wait nahi karta.

MAIN SCRIPT

Slow website customer experience aur sales dono ko affect karti hai. Heavy images, unnecessary plugins aur poor hosting website slow kar dete hain. Images optimize karna, caching use karna aur reliable hosting select karna website speed improve karta hai.

PC DEMO / VISUAL

Google PageSpeed Insights ya loading test show karein.

CTA

Website slow hai? Isay ignore mat karein.

CAPTION

Slow website sirf technical issue nahi - business issue hai. Har extra second customer ko exit ke closer le jata hai. Speed, mobile experience aur clear structure ko priority dein.

HASHTAGS

#WebsiteSpeed #PageSpeed #WebPerformance #UserExperience #WebDevelopment #WebsiteOptimization #LEAPSPRO
#TechTips

End screen: LEAPSPRO logo + www.leapspro.online

DAY 15**Google Trends Ka Use****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Content banane se pehle pata karein log actually search kya kar rahe hain.

MAIN SCRIPT

Google Trends ek free tool hai jo batata hai ke kis topic ki search interest increase ya decrease ho rahi hai. Is se aap seasonal trends, popular topics aur different keywords compare kar sakte hain. Yani content sirf guesswork par nahi, actual data par banaya ja sakta hai.

PC DEMO / VISUAL

Google Trends par do relevant keywords compare karein.

CTA

Data-based content banayein, random content nahi.

CAPTION

Achi content idea sirf creativity se nahi, audience interest se bhi aati hai. Google Trends se topics, seasons aur keyword interest compare karke smarter content decisions lein.

HASHTAGS

#GoogleTrends #ContentIdeas #KeywordResearch #ContentMarketing #DigitalMarketingTools #MarketingStrategy
#LEAPSPro #TrendResearch

End screen: LEAPSPro logo + www.leapspro.online

DAY 16**UI Aur UX Mein Difference****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Website beautiful ho sakti hai, lekin phir bhi difficult to use.

MAIN SCRIPT

UI ka matlab hai website kaisi dikhti hai - colors, buttons aur layout. UX ka matlab hai website use karna kitna easy hai. Agar website attractive ho lekin customer contact button na dhoond sake, to design fail hai. Good website mein UI aur UX dono strong hote hain.

PC DEMO / VISUAL

Bad layout aur clean layout ka comparison show karein.

CTA

Design sirf beautiful nahi, easy to use bhi hona chahiye.

CAPTION

UI attention capture karta hai; UX user ko smoothly goal tak le jata hai. Beautiful design tab successful hai jab customer bina confusion ke next step complete kar sake.

HASHTAGS

#UIUX #UserInterface #UserExperience #WebDesign #WebsiteDevelopment #DesignTips #LEAPSPro #DigitalExperience

End screen: LEAPSPro logo + www.leapspro.online

DAY 17**Digital Marketing Tools****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Ek digital marketer ke PC mein kaun se tools hone chahiye?

MAIN SCRIPT

Content design ke liye Canva, video editing ke liye CapCut, planning ke liye Google Sheets ya Trello, trends ke liye Google Trends aur analytics ke liye Meta Business Suite use kiya ja sakta hai. Tool important hai, lekin tool se zyada important strategy hai. Best tool bhi wrong strategy ko successful nahi bana sakta.

PC DEMO / VISUAL

Canva, CapCut, Google Trends aur Meta Business Suite tabs show karein.

CTA

Tools seekhein, lekin strategy ko priority dein.

CAPTION

Canva, CapCut, Google Trends, Trello aur Meta Business Suite useful tools hain - lekin results tool list se nahi, clear strategy aur consistent execution se aate hain.

HASHTAGS

#MarketingTools #Canva #CapCut #GoogleTrends #MetaBusinessSuite #ContentCreator #LEAPSPRO #DigitalMarketing

End screen: LEAPSPRO logo + www.leapspro.online

DAY 18**SEO Basics****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Website live hai, lekin Google par nazar kyun nahi aa rahi?

MAIN SCRIPT

SEO ka matlab website ko search engines ke liye optimize karna hai. Is mein right keywords, clear headings, fast speed, mobile-friendly design aur useful content include hain. SEO overnight result nahi deta, lekin long-term organic traffic ke liye bohat important hai.

PC DEMO / VISUAL

Google search result aur webpage headings show karein.

CTA

Website banane ke saath SEO basics ko ignore na karein.

CAPTION

Website live hona aur Google par discover hona different cheezein hain. Clear structure, useful content, keywords, speed aur mobile experience SEO ki basic foundation hain.

HASHTAGS

#SEO #SearchEngineOptimization #WebsiteSEO #OrganicTraffic #KeywordResearch #WebDevelopment #LEAPSPro #SEOTips

End screen: LEAPSPro logo + www.leapspro.online

DAY 19**Marketing Metrics Samajhna****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

10,000 views ka matlab 10,000 customers nahi hota.

MAIN SCRIPT

Digital marketing mein sirf views dekhna enough nahi. Reach batati hai kitne unique logon ne content dekha, engagement batati hai kitne logon ne react kiya, clicks interest show karte hain aur leads business opportunity show karti hain. Har metric ka apna purpose hota hai.

PC DEMO / VISUAL

Instagram Insights ya Meta dashboard show karein.

CTA

Vanity metrics nahi, business results track karein.

CAPTION

Views attention show karte hain, clicks interest, leads opportunity aur conversions business result. Har metric ko uske purpose ke saath samjhein - sirf large numbers se impress na hon.

HASHTAGS

#MarketingMetrics #SocialMediaAnalytics #Reach #Engagement #LeadGeneration #DataDrivenMarketing #LEAPSPRO
#MarketingTips

End screen: LEAPSPRO logo + www.leapspro.online

DAY 20**WordPress vs Custom Website****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

WordPress better hai ya custom coding?

MAIN SCRIPT

Answer business ki requirement par depend karta hai. WordPress fast, flexible aur small-to-medium websites ke liye cost-effective hai. Custom website tab useful hoti hai jab unique features, complex integrations ya special performance requirements hon. Har client ko same technology suggest karna professional approach nahi.

PC DEMO / VISUAL

WordPress dashboard aur code editor briefly show karein.

CTA

Technology business needs ke according select honi chahiye.

CAPTION

WordPress aur custom coding dono useful hain - right choice project goals, budget, timeline aur required features par depend karti hai. Technology ko trend nahi, requirement ke basis par choose karein.

HASHTAGS

#WordPress #CustomWebsite #WebDevelopment #WebDesign #BusinessWebsite #Coding #LEAPSPro #WebsiteAdvice

End screen: LEAPSPro logo + www.leapspro.online

DAY 21**Lead Generation Kya Hai?****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Followers achay hain, lekin business ko leads chahiye.

MAIN SCRIPT

Lead woh person hota hai jo aapki service mein interest show kare aur apni contact information provide kare. Lead generation ke liye ads, landing pages, WhatsApp, forms aur valuable offers use kiye jate hain. Goal sirf likes lena nahi, interested customers ko identify karna hai.

PC DEMO / VISUAL

Lead form ya WhatsApp CTA show karein.

CTA

Marketing ko likes se leads ki taraf shift karein.

CAPTION

A lead sirf viewer nahi - woh person hai jo interest show karke next step leta hai. Strong offer, focused landing page, form aur WhatsApp CTA lead-generation system ka part hain.

HASHTAGS

#LeadGeneration #BusinessLeads #DigitalMarketing #WhatsAppMarketing #LandingPage #SalesFunnel #LEAPSPro #BusinessGrowth

End screen: LEAPSPro logo + www.leapspro.online

DAY 22**E-commerce Website Mein Kya Hona Chahiye?****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Online store sirf products upload karne se successful nahi hota.

MAIN SCRIPT

E-commerce website mein clear product images, simple categories, search option, secure payment, delivery details aur easy checkout zaroori hain. Agar customer checkout complete karne mein confuse ho jaye, to sale lose ho sakti hai. Online store ka har step simple hona chahiye.

PC DEMO / VISUAL

Product page se checkout tak short flow show karein.

CTA

E-commerce website ko customer ki nazar se test karein.

CAPTION

Online store ka goal products dikhana nahi - purchase easy banana hai. Clear images, simple navigation, trust information aur friction-free checkout conversion ke liye essential hain.

HASHTAGS

#EcommerceWebsite #OnlineStore #WebDevelopment #Checkout #UserExperience #EcommerceTips #LEAPSPro #OnlineBusiness

End screen: LEAPSPro logo + www.leapspro.online

DAY 23**Retargeting Kya Hai?****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Kabhi aapne product dekha aur baad mein wohi ad dobara nazar aaya?

MAIN SCRIPT

Isay retargeting kehte hain. Retargeting un logon ko ads dikhati hai jo pehle website visit kar chuke hon, video dekh chuke hon ya product mein interest show kar chuke hon. Kyun ke woh brand ko pehle se jante hain, conversion chance zyada ho sakta hai.

PC DEMO / VISUAL

Simple audience journey graphic show karein.

CTA

Interested audience ko bhoolna nahi - retarget karein.

CAPTION

Har interested visitor first visit par buy ya contact nahi karta. Retargeting un logon ko relevant message ke saath dobara reach karti hai jo pehle hi interest show kar chuke hain.

HASHTAGS

#Retargeting #Remarketing #FacebookAds #DigitalMarketing #CustomerJourney #ConversionStrategy #LEAPSPro #PaidAds

End screen: LEAPSPro logo + www.leapspro.online

DAY 24**Website Aur Web Application Mein Difference****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Website aur software same cheez nahi hain.

MAIN SCRIPT

Website mostly information provide karti hai, jaise services, portfolio aur contact details. Web application user ko kaam perform karne deti hai, jaise attendance mark karna, fees manage karna ya dashboard use karna. Business ki requirement ke according website, web application ya dono develop kiye ja sakte hain.

PC DEMO / VISUAL

Normal website aur management dashboard show karein.

CTA

Business ko information chahiye ya automation? Pehle goal clear karein.

CAPTION

Website information aur credibility provide karti hai. Web application users ko login, data management, reports aur automation jaise functions perform karne deti hai. Requirement clear ho to right solution select hota hai.

HASHTAGS

#WebApplication #WebsiteDevelopment #BusinessSoftware #Automation #WebDevelopment #TechExplained #LEAPSPro #DigitalSolutions

End screen: LEAPSPro logo + www.leapspro.online

DAY 25**Digital Marketing Ki Common Mistakes****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Digital marketing mein yeh 3 mistakes budget waste kar deti hain.

MAIN SCRIPT

Pehli mistake: target audience define na karna. Doosri: random content upload karna. Teesri: results track na karna. Marketing ek continuous process hai - plan, test, analyse aur improve. Sirf ad chala kar wait karna complete strategy nahi.

PC DEMO / VISUAL

Screen par 1, 2, 3 points display karein.

CTA

Apni current marketing mein yeh mistakes check karein.

CAPTION

Wrong audience, random content aur no tracking - yeh teen mistakes marketing budget aur time dono waste karti hain. Plan, test, analyse aur improve ka cycle follow karein.

HASHTAGS

#MarketingMistakes #DigitalMarketingTips #ContentStrategy #TargetAudience #MarketingAnalytics #BusinessGrowth
#LEAPSPro #MarketingAdvice

End screen: LEAPSPro logo + www.leapspro.online

DAY 26**Website Security Aur SSL****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Browser mein website ke saath lock icon kyun hota hai?

MAIN SCRIPT

Lock icon SSL certificate ko show karta hai. SSL website aur visitor ke beech data ko secure karta hai. Website security ke liye SSL, regular backups, updates aur strong passwords important hain. Security issue se website aur customer trust dono damage ho sakte hain.

PC DEMO / VISUAL

Browser address bar mein HTTPS lock show karein.

CTA

Apni website ka SSL aur backup aaj hi check karein.

CAPTION

Website security sirf developer ka issue nahi - customer trust ka issue hai. SSL, backups, updates aur secure access business website ki basic protection hain.

HASHTAGS

#WebsiteSecurity #SSL #HTTPS #CyberSecurity #WebDevelopment #WebsiteMaintenance #LEAPSPRO #SecurityTips

End screen: LEAPSPRO logo + www.leapspro.online

DAY 27**Marketing Budget Kaise Decide Karein?****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Digital marketing ke liye kitna budget chahiye?

MAIN SCRIPT

Iska ek fixed answer nahi. Budget business goal, audience size, competition aur platform par depend karta hai. Pehle small test campaign run karein, results analyse karein aur phir successful campaign ka budget increase karein. Bina testing ke large budget spend karna risky hai.

PC DEMO / VISUAL

Simple test-budget diagram show karein.

CTA

Small test, clear data, phir smart scaling.

CAPTION

Marketing budget guesswork se decide nahi hona chahiye. Goal define karein, small test run karein, cost per result analyse karein aur winning campaign ko gradually scale karein.

HASHTAGS

#MarketingBudget #PaidAds #CampaignStrategy #DigitalMarketing #AdSpend #BusinessTips #LEAPSPro
#SmartMarketing

End screen: LEAPSPro logo + www.leapspro.online

DAY 28**Website Maintenance Kyun Zaroori Hai?****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Website launch hone ke baad kaam khatam nahi hota.

MAIN SCRIPT

Website ko regular updates, backups, security checks aur content changes chahiye hote hain. Outdated plugins aur broken links customer experience aur security ko affect karte hain. Website bilkul business ki machine ki tarah hai - maintenance na ho to problem aa sakti hai.

PC DEMO / VISUAL

Website updates, backup ya broken-link example show karein.

CTA

Website launch ke saath maintenance plan bhi zaroor rakhein.

CAPTION

Website ek one-time file nahi - active business asset hai. Updates, backups, security checks, speed monitoring aur content maintenance usay reliable rakhte hain.

HASHTAGS

#WebsiteMaintenance #WebSupport #WebsiteUpdates #Backups #WebSecurity #BusinessWebsite #LEAPSPro #WebDevelopment

End screen: LEAPSPro logo + www.leapspro.online

DAY 29**Local Business Ki Digital Growth Story****SPEAKER:** Faizan Ali**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Ek acha business sirf is liye grow nahi kar raha tha kyun ke log usay jante nahi thay.

MAIN SCRIPT

Business ke paas quality service thi, lekin social media inconsistent tha, Google presence weak thi aur clear contact process nahi tha. Pehle content improve kiya gaya, phir local audience target ki gayi aur WhatsApp inquiry system set kiya gaya. Lesson yeh hai: quality important hai, lekin customers ko quality nazar bhi aani chahiye.

PC DEMO / VISUAL

Before-and-after style profile layout ya funnel show karein.

CTA

Strong service ko strong digital presence ke saath connect karein.

CAPTION

Quality service hidden ho to growth slow reh sakti hai. Consistent content, local targeting aur easy inquiry process ne is business ki digital visibility ko structured system mein change kiya. Good work ko visible banana bhi strategy hai.

HASHTAGS

#LocalBusiness #DigitalGrowth #BusinessStory #SocialMediaStrategy #WhatsAppBusiness #OnlineVisibility #LEAPSPRO #BusinessMarketing

End screen: LEAPSPRO logo + www.leapspro.online

DAY 30**Conversion-Focused Website****SPEAKER:** Mohib**PLATFORMS:** Instagram Reels + TikTok**HOOK (0-3 SEC)**

Website visitors aa rahe hain, lekin inquiries nahi?

MAIN SCRIPT

Problem design nahi, conversion path ho sakta hai. Website ke first section mein clear message, services ke benefits, portfolio, testimonials aur visible WhatsApp button hona chahiye. Customer ko samajh aana chahiye ke aap kya karte hain aur next step kya hai. Confused visitor usually contact nahi karta.

PC DEMO / VISUAL

LEAPSPro website par headline, services aur CTA point out karein.

CTA

Website sirf visit ke liye nahi - conversion ke liye design karein.

CAPTION

A beautiful website tab business tool banti hai jab visitor ko clear answer milay: aap kya offer karte hain, proof kya hai aur next step kya hai. Clear conversion path inquiries improve karta hai.

HASHTAGS
